

SPECIFICATION SHEET

15W Energy Efficient Downlight

Description	Recessed energy efficient downlight suitable as an alternative or replacement for 35W and 50W halogen downlights used for general lighting purposes.	
Rated Wattage	15W	
Rated Voltage	220-240V	
Lamp Type	15W ecobulb® downlight replacement lamp	
Light Output	400 lm	
Luminaire Efficacy	27 lm/W	
Average Service Life	10,000h for replaceable lamp / 30,000h for ballast	
Colour Temperature	3000K (warm white)	
Colour Rendering Index	82	
Beam Angle	75°	
Power Factor	0.93	
Ballast Factor	1.0	
Total Harmonic Distortion	< 30%	
Cut-out Diameter	80 mm	
Outer Diameter	116 mm	
Length	120 mm	
Mercury Content	1.5 mg (amalgam form)	
Safety Standard	AS/NZS 60598.2.2:2001	
Performance Standard	AS1680.3:1991	
Part Number	Downlight:	20210031 – chrome 20210032 – white
Warranty	1 year for commercial installations 2 years for residential installations
